

A: Hey, what do you want to do after lunch?

B: I was going to watch a movie with you.

A: Ah, yeah let's go then. What is the movie?

B: Boss baby 2.

A: Oh, it sounds fun. What time does the movie start?

B: Let me check.

A: Umm, I just realized I didn't wear my contact lenses. What should we do?

B: Then, we can watch a dubbed version.

A: Can we? I'm not sure cause I rarely watch dubbed version movies.

B: That's okay. Last time, I was supposed to watch the "Frozen" English version but it was dubbed one. It was fun.

A: Was it? Okay then, let's roll.

(movie schedule check)

B: Let me see... I think 2:10 pm in CGV is the best option for us.

A: Okay.

B: Then, I book this one?

A: Yeah

B: I will pay by KakaoPay. Send me 12 bucks.

A: Got it.

(move to the theater place after lunch)

A: the theater is close so let's take the bus.

B: Okay.

A: What number of the bus we should take?

B: If we take 200, we go to 혁신. It will arrive in 3 minutes.

(in the bus)

A: Hey, we miss the bus stop.

B: Oh, man. What are you doing? But it's kind of close so let's just walk.

(on the street)

A: Fucking hot today. / It's really hot today.

B: It is.

A: Can we drink Soda during movie time?

B: I think it's possible. There's a Starbucks on the first floor. Let's go there.

A: Then, I will take a cup of **돌체라떼**.

B: Same for me.
